

Central Valley Woodie Club

Membership Application

We invite you to become a member of the Central Valley Woodie Club, whether or not you are a member of any other car/woodie club. As we are a chapter of the National Woodie Club, each of our members is also required to belong to the national club (www.nationalwoodieclub.com). Membership is open to anyone who owns, drives, or simply appreciates the wooden car. The club recognizes wood-bodied cars of any year, make or model, American or foreign, original, restored or modified. You do not have to own a woodie to be a member.

Annual dues in the club are \$30, or two years for \$50 and are payable the first week in January each year. Each member will receive a membership card, name badge, water transfer decal, as well as club updates through either e-mail or regular mail.

Name _____ Spouse/Partner _____

Mailing Address _____

City _____ State _____ Zip _____
